Circular Letter No. 70.

March 26, 1909.

To Supervising Principals:--

You will please prepare and send in immediately a detailed report on the Teachers of English now employed in your district.

In this report please place in one column the names of those whose work has been and is now such that you feel they should be recommended for re-appointment.

Please report separately upon each of those whom you cannot recommend, giving in detail your reasons for such unfavorable report.

Do not make a favorable report unless you are firmly convinced that the teacher has made a success of the work or gives promise for the future. We must deep the standardat the very highest mark.

Yours very truly,

EDWIN G. DEXTER
Commissioner of Education
